Quarterly ISACA Birmingham Newsletter Summer 2012

Message from the President - Jeff Bratton

As fall comes closer, we are fast preparing for our next meeting in September when we will resume our monthly meetings. A key objective this year is continuously progressing member engagement which relates to several points of note:

- Chapter Social is planned for August as a to gather for food, drinks, and fun! Details below.
- Fall Seminar plans are progressing based on member feedback, with current plans for a one-day seminar in September on either Cloud Computing or Mobile Security.
- Meeting Speakers and Topics are a core chapter activity and focus. If you are interested in presenting at a meeting or can suggest a speaker and/or topic, please contact us.
- Member Feedback surveys will be distributed soon. Please take a few minutes to provide us quality feedback so we can know how to best serve you and the chapter.
- Regarding chapter administration, please know ISACA reviewed and accepted our annual reports and finances, after review by a certified accountant independent of the board.

We hope your summer is going great and look forward to seeing you at a chapter event soon!
