## Quarterly ISACA Birmingham Newsletter

Winter 2012

### Message from the President - Jeff Bratton

We hope this newsletter finds you well in this new year, finds you as a renewed ISACA member, and finds you excited about the upcoming Spring Seminar.

If you have not already renewed your membership, please remember dues and CPE reporting are due January 31st. And if you are debating on renewing your membership, please take a few moments to reflect on and revisit the resources available to you through ISACA, as well as read the [ROI analysis available on the ISACA website](#).

On Feb. 21st, our chapter will host a one-day Spring Seminar (8 CPE hours) on the topic of *Cloud Audit & Security* at Protective Life Corporation. "The cloud" can be an elusive topic, and as there is an inevitable shift towards the cloud, IT Auditors should be knowledgeable on relevant topics to add value to our organizations.

Thanks to those who joined us at the recent joint meeting with the Birmingham Chapter of the Institute of Internal Auditors (IIA). We feel these type of opportunities are valuable to our members, and we want to continue providing these kinds of opportunities this year.

We look forward to seeing you at a chapter event soon!

### Spring Seminar - Thursday, February 23rd
