

Quarterly ISACA Birmingham Newsletter Spring 2013

Message from the President - Jeff Bratton

As the season transitions into spring, our chapter finds itself nearing transition on several fronts and we need your help making the most of opportunities before us.

May 21st will be our Annual General Meeting, at which time we will vote for chapter board members and review any changes to chapter bylaws. We are looking for several new board members and positions. This is a great opportunity to further leadership skills, network and develop relationships with other leaders, and give back to the profession. Ask a board member and they will tell you!

Soon we will be sending our annual member survey, and we need your feedback to direct planning efforts moving forward. What do you think about having a member social event over the summer? Do you think the Fall and Spring seminar benefits members? Do you know of a topic or speaker that would be beneficial to the chapter? Every opinion counts, so please let us know.

I encourage you to take a moment and imagine if ISACA and our chapter did not exist... would you have the necessary certifications and training opportunities? would you have the same access and depth of resources? would you be connected with others in your local profession? We tend to take these things for granted, and the hub that makes the wheel go round is members like you!

Next Chapter Meeting - Tuesday, April 16th

Date/Time: Tuesday, April 16th, 11:30 - 1:00
